Qualifications

- The applicant must be graduating from Trout Lake High School.
- The applicant should have a grade point average of 2.5 or greater. However, all applications will be considered.
- The applicant must be planning to attend an **accredited** college, university, or vocational training program no later than October 1st of the year following the award of the scholarship.
- The applicant must include a current (as of your scholarship submission date) transcript of grades and credits earned with the scholarship application. The submitted transcript should include your entire high school education and the first semester of the applicant's senior year.

Personal Statement – Include the Following Information:

Your personal statement is an expression of who you are. Be as creative as you like, but make sure to cover all of the necessary information within, or in addition to, your statement.

- What are your education goals and what are your plans for reaching these goals?
- Outline your academic achievements, extra-curricular activities (school related and other), and awards, honors, and recognitions received. Please note that if you don't share this information, we won't have it to consider when making scholarship decisions.
- Where will you be attending school? Outline the costs including tuition, housing, books and fees that you anticipate incurring at school. If you have not yet been accepted or have not made your school decision, please let us know where you have applied and the estimated costs for each school. If you have not yet applied to school please explain why and outline your education plans.
- Provide us with an employment history. Include any volunteer jobs or activities that you participated in. Indicate whether these jobs were held during the school year or were summer positions. If applicable, describe how these jobs relate to your education goals and any skills learned that will help you on your educational path.
- Tell us how much you have in savings to help pay for your education and estimate how much you will have when you begin school. Do you plan on working while at school and/or how do you plan on financing your education? Please include known financial help from your choice of school, or other sources that is available for your educational expenses.

Reference Letters

- Three letters of recommendation must be included with your application. You are encouraged to obtain reference letters from employers, community members, and others beyond the school community. Submitted letters must not be from the applicant's relatives.
