Dear Ms Anderson:

Thank you for the opportunity to comment on Conditional Use Permit Application CUP 2023-10 and SEPA No. SEP2023-22 submitted by Seth Lambert and Tobin Rummel.

The Trout Lake Community Council (The Council) monthly meeting was on January 2, 2024 and we met via Zoom. We discussed the application and SEPA document. Applicant Seth Lambert was also on the Zoom call and was available to answer questions. We appreciate him taking the time to do so.

The Council does not have any specific comments on the proposal. We do appreciate the completeness of the documentation provided for review and comment.

Respectfully,

DAINA L. BAMBE
Chair, Trout Lake Community Council
