Re: Short Plat No. SPL 2021-07
Applicant: Brent and Candace Fetsch

Dear Ms Lindblad:

Thank you for the opportunity to review and provide comment on Short Plat SPL 2021-07 submitted by Brent and Candace Fetsch. The Trout Lake Community Council (TLCC), via Zoom, met on March 3, 2021. This video conference was also attended by the applicant, Brent Fetsch.

The TLCC found the application to be thorough, including setbacks from Elmer Creek, and congruent with area zoning. Therefore, the TLCC has no objection to the short plat of this parcel.

Respectfully,
