Re: 2021 TROUT LAKE COMMUNITY FAIR

Dear Mr. Dennis Hill and associated Fair Board Members:

I'm writing you on behalf of the Trout Lake Community Council to encourage you and your team in their efforts to organize and deliver on commitments to hold the 55th Annual Trout Lake Community Fair this July 30 – August 1. We appreciate your efforts to navigate the current State guidelines and organize a Community Fair that will be safe and fun for the entire community. We also appreciate your flexibility related to schedule as we know dates had to be shifted due to conflicts.

Dr. Rick Allen was in attendance at our June 2nd Community Council Meeting and made a call for help. As it appears you are seeking additional volunteer support, we will include this as an announcement in our July 7th Community Council meeting as well. I will also ensure that we include you on the Zoom meeting invite should you desire to give us an update. I will hold a 10-15 minute slot open for you should you or another board member like to attend and address both the Council and the community.

Again we applaud your combined efforts and look forward to a successful and joyous 2021 return to the Trout Lake Community Fair.

Kind Regards,
Zack Miller
TLCC Vice Chair
