New Business

Dennis Hill, represented the Trout Lake Fair Board and reviewed these points and plans for this year's fair:

It will follow state guidelines for safety and gatherings.

Some indoor activities have been moved outdoors and will be under canopies, only baked goods will be shown in the gym.

Fewer kids activities: there will be no coin toss or bouncy house.

They are still waiting for guidelines on mask wearing to make the final call.

There will be a parade following state guidelines. MJ and Brent Summers will be organizing the event.

Friday night potluck will be held at Camp Jonah, Elk Meadows is no longer an option.

The fair will have limited food options, hamburgers and elephant ears.

There will be no Foundation Auction.

Fireman's Breakfast will take place the following weekend, to coordinate with other events and will take place at the fire station.

Hand sanitizer will be available.

Helpers are needed for the following;

Tractor drivers

Fun Run helpers

Fair set up - 1:00pm on Friday

Fair take down - after auction, on Saturday, about 3:00 to 4:00pm.

The fair book will be in our mail boxes Tuesday or Wednesday of next week.

Dave will be adding a pdf to the Trout Lake .org website.

Dennis wants to remind us that this fair is "by the community , for the community.

Meeting day change, it has been suggested that the council change their meeting day due overlapping meetings in the community. After some discussion the final suggestion is to move the council meeting to the first Tuesday of the month. Daina will try to check with all council members for their input. The next meeting is tentatively scheduled for August 3.

TLCC fair booth: The following will be bring display items and information to have at the booth: Daina & Monte - invasive species & bark beetle, Gail - election, info on NAP - Laurie, We will have information regarding emergency plans in a notebook,, etc.

Daina will check with Pat regarding a presentation on the danger of a lahar occurring from Mt. Adams.

New logo: Dave presented his concept for a new logo. The old one could not be transferable to the new website. Lucas moved that we accept the concept, second by Monte, passed.

Old Business

Guler Park & NAP Meeting with Gordon: Daina sent out notes from the meeting. Gordon suggested that we gather community comments before moving forward with changes affecting Lake Road.

Daina will contact land owners on the road to get their ideas regarding the closing of the road and toilets. A community petition may also be used to gather support for the proposal.

Round Robin

Monte voiced concern about the removal of "No Trespassing" signs on TL Farm river access.

At 8:25 Lucas moved to adjourn the meeting, Monte second, passed
