Zoom Video – 6:00 – 7:00 PM

Topic	Discussion Lead	Time Allotted
Meeting called to order 6:07pm		
In Attendance: Lucas King, Daina Bambe, Joanna Turner, Pat Arnold, Travis Pearson.		
Community Members: Anne and Kurt Green, Margo McGhee-Kelly		
Agenda Review Agenda approved	Daina	
Main topic: Green Conditional Use Application	Pat	
Septic? - drain field is behind ADU, for both residences Well location? - on southern part of platt, south of the house location. 323' down High water mark - how far is this from the river? shorelines regulations? - have talked with builder and county about regulations. Most of parcel is forest resource. Forest Management Plan was developed with foresters and county input. ADU - Will match main house in design Intended use of ADU? affordable? short term vs long term? - Will live in it while building main house, inclined for short term rental but haven't decided yet. Plot plan page accurate? - older version, shared screen to show drainfield Distance from bluff - at least 150'		
Community member comments no specific questions Margo - mmkinfrance@gmail.com , would like ADU regulations	Daina	
Council member comments Pat - Shorelines regulations = 200" - not far enough Letter is due friday	all	
Adjourn 6:42 pm
